GET READY NOW... PDPM IS COMING

- The new patient driven patient model (PDPM) begins October 1, 2019
- Patient clinical characteristics in totality will determine payment
- Quick and highly accurate assessment and diagnosis will be critical
- Payment will no longer be focused on therapy minutes and ADLs but will rely on over 180 MDS item fields
- Failing to accurately code patient needs will have a significant impact on adequate and accurate payment for high quality care
- Staff roles must change to operate effectively under PDPM
