Staying Alive!

Learn how to implement a culture of change to keep today's senior vibrant and "*Staying Alive!*"

Join the North Carolina Culture Change Coalition for a symposium that features guest speaker Susan Gilster, PhD, RN. She has presented more than 150 national and international talks on Alzheimer's care and treatment, organizational change, leadership, and employee satisfaction and retention. She served as co-facilitator of the Leadership and Culture training for the Practice Change Fellowship program. Dr. Gilster has published more than 50 professional articles and has written two books, "A way of Life: Developing and Exemplary Alzheimer's Disease and Dementia Program" and "SERVICE First: Changing Culture, Changing Care".

Target Audience: Nursing Facility staff, Management, Ownership

Conference Topics:

- Sustaining culture change through leadership
- Panel members present to discuss culture change in their facilities
- Just Culture
- Regulatory perspective on culture change from Cindy Deporter, State Survey Agency

\$50 per person (checks payable to NCAPA)

LNHA and Assisted Living Administrator CEU's as well as nursing CEU's are available
