APRIL 8-9, 2019

Advancing Skilled Nursing Care Since 1955

Join your colleagues for the North Carolina Health Care Facilities Association's (NCHCFA) new Legislative Conference, April 8-9, 2019 in Raleigh, NC. This event will allow members to schedule appointments with their elected representatives in the North Carolina House and Senate and advocate for important long term care issues at the North Carolina Legislature. Decision makers in our state need to understand who we are caring for, and what they can do to help. The most effective voice is that of the caregivers and administrators.

Stay informed, take action, and be a part of the solution. Register today and let's send a powerful message of unity on behalf of our state's skilled nursing community!

NCHCFA's goal is to present a unified voice before state and federal agencies, the North Carolina General Assembly, and U.S. Congress. Elected officials have a tremendous impact on the daily operations of a skilled nursing facility. They make critical decisions about the challenges we face every day, such as Medicare and Medicaid funding, Certificate of Need, health care workforce issues, and medical malpractice reforms. Lawmakers depend on NCHCFA to provide them with information and perspective to help them make decisions that will improve the lives of the North Carolinians being cared for by NCHCFA members.

WHO SHOULD ATTEND?

This event is geared for daily operators and administrators of NCHCFA member skilled nursing facilities.
