8th Annual Autumn Classic

September 10-11, 2019 - Pine Needles Lodge & Golf Club
1005 Midland Road / Southern Pines, NC 28387

Dear NCHCFA Member,

Please plan to join your friends and colleagues in beautiful Southern Pines, North Carolina, on September 10th and 11th for the North Carolina Health Care Facilities Association (NCHCFA) 8th Annual Autumn Classic. The event will be held at the world famous Pine Needles Lodge and Resort. Pine Needles' award-winning golf course is the first in the nation to be awarded four U.S. Women's Open Championships. The course was designed by the legendary Donald Ross in 1927, and meticulously restored by Kyle Franz in 2017.

You do not have to play golf to participate. In addition to the "Cabana Club" Package, we also offer a "Recharge Club" Package. Come enjoy lunch and spend the afternoon relaxing at The Spa at Pinehurst. This 31,000 square foot facility is a Forbes Four-Star Spa that offers a wide variety of treatments and services. This package includes access to all areas at The Spa, which features a heated, three lane saline lap pool, eucalyptus steam rooms, a spacious fitness center, and much more. Transportation will be provided to and from the Village at Pinehurst.

The Autumn Classic is being hosted by the NCHCFA to benefit our political action committee (PAC). At a time when elections have never been more important and the costs of running for elective office have never been higher, our PAC needs to have the resources to support our friends and ensure our message is heard and supported. We need your help!

Please review the information about the scheduled events. We hope you will join us in Southern Pines in September.

Sincerely,

Adam Sholar
President and CEO

ABOUT THE PAC

The NCHCFA/PAC supports candidates for state legislative and executive offices with the ever-increasing costs of campaign finance. These officials make vital decisions affecting the delivery of post-acute and long term care each year, such as changes to Medicaid funding and Certificate of Need laws. We want to assist those candidates who listen to our concerns and support the work we do. A well-funded PAC is essential to our advocacy efforts.
