

NCHCFA Fall District Meetings 2019

NCHCFA has scheduled the 2019 fall district meetings. District meetings allow participants to interact with peers in a comfortable atmosphere, promoting valuable and productive conversation. Space will be limited to 50 individuals per location and will be open to any employees of your facility who may benefit from attending. Registration fee is \$50.00 for NCHCFA members.

This program will offer 3.0 contact hours for nursing home administrators. The North Carolina Health Care Facilities Association is a Registered Sponsor of continuing education with the NC State Board of Examiners for Nursing Home Administrators. Comments regarding the Registered Sponsor Course may be addressed to: NCBENHA, 3733 National Drive, Suite 110, Raleigh, NC 27612. A certificate of attendance showing total CEUs will be signed and sent to all attendees.

Agenda

10:00 AM – 1:30 PM

Restorative Nursing and Respiratory Therapy

Nursing has always been a primary component to care provided in the post-acute setting, but now more than ever nursing services have moved to the forefront under the Payment Driven Payment Model reimbursement system. Register and attend your district meeting to discuss two important nursing services, Restorative Nursing and Respiratory Therapy and how they not only play a pivotal role in improving or maintaining resident outcomes (as well as reducing medical risk factors and hospitalizations) but also how these services impact the case mix index and reimbursement under the new payment model.

In this session we will discuss how to develop an effective Restorative Nursing Program or re-vitalize your existing program to fit today's reimbursement model and ways to capture respiratory care provided by the nursing staff.

12:00 PM – 12:30 PM – Lunch

Speakers

Rhonda Craig, Owner, RC Consulting

Rhonda has over 27 years of experience as a registered nurse in both Skilled Nursing Facilities and Acute Care settings. She has served as a unit manager in a 40-bed skilled nursing facility (SNF), Assistant Director of Nursing for a 170-bed SNF, an Assistant Administrator/Director of Clinical Operations for a 230-bed SNF and as an Assistive Living Executive Director for a 120 bed Assisted Living Facility. In addition to an Associates Degree in Nursing, Rhonda also held a license as a Nursing Home Administrator from 2011 to 2018. She owned and operated RC Consulting for the past 17 years.

RC Consulting provides a broad array of services to Long Term Care Providers that includes: Medicare/Medicaid Reimbursement, MDS reviews for compliance, MDS completion, MDS Training, Survey Compliance, Mentoring of Director of Nurses and other clinical management staff in operational issues and compliance with State and Federal regulations. Education and training services for these areas are also provided. In addition to these services, support for appeals and litigation are also offered.
