

POPULATION HEALTH MANAGEMENT SUMMIT FOR LONG TERM AND POST-ACUTE CARE LEADERS

December 9-10, 2019
InterContinental Washington, DC
The Wharf

Join AHCA/NCAL for a unique gathering to:

- Discuss the ways in which population health management (PHM) models are improving quality and outcomes while reducing costs
- Learn new strategies to expand and improve your leadership capabilities in PHM
- Network with peers and nontraditional partners
- Gain a deeper understanding of CMS' view of provider-led PHM efforts
