

NCHCFA Committee Volunteer Application

To be successful as possible, not for profit organizations, especially trade associations, must rely heavily on the volunteer time and expertise of their membership. One important way to make a difference is by serving on one of NCHCFA’s committees. Members have until **March 15th, 2020** to volunteer to serve on one of NCHCFA’s committees.

All committee assignments are for a **two-year term** beginning at the time of appointment and ending February 28th, 2022. Appointments are made by the Chair of NCHCFA's Board of Directors. Except for the Associate Advisory Committee, only representatives from operators of member facilities in good standing are eligible to serve. Committees generally conduct two in-person meetings per year and others as needed by conference call. When submitting your request please choose more than one committee and make selections in rank order. Please see below.

Individuals who serve on NCHCFA committees are leaders in the Association and are asked to lead by example. This includes committing to participate in committee activities and joining the NCHCFA Political Action Committee (PAC). All committee Chairs do strive, however, to be respectful of committee members’ time and busy schedules. **Members currently on committees will need to go through the sign-up process again.**

You have several options for turning in your committee sign-up form:

- 1) Leave your form with Karen Lennon at the convention registration desk during the NCHCFA Annual Convention and Expo February 24 – 27, 2020 in Greensboro, NC
- 2) Submit on-line! [Click Here!](#)
- 3) Email your form to Karen Lennon at the Association office at KarenL@nchcfa.org
- 4) Fax to (919) 787-8418
