DEAR NCHCFA MEMBER,

The North Carolina Health Care Facilities Association (NCHCFA) 9th Annual Autumn Classic will be held on September 28th in Southern Pines, North Carolina. Please know our members safety is our number one priority, and the schedule of events will be modified as needed to follow current safety guidance protocols related to COVID-19. The event will be held at the world-famous Pine Needles Lodge and Resort. The Pine Needles' award-winning golf course was designed by the legendary Donald Ross in 1927, and meticulously restored by Kyle Franz in 2017.

The Autumn Classic is being hosted by NCHCFA to benefit our political action committee (PAC). We understand the past 14 months have been a difficult time, but we cannot let up on our support for candidates who are supporting us in this challenging environment. Our advocacy is important and our PAC needs to have the resources to support our friends and ensure our message is heard.

You do not have to play golf to participate. In addition to the "Cabana Club" Package, we also offer a "Recharge Club" Package. Come enjoy lunch and spend the afternoon relaxing at The Spa at Pinehurst. This 31,000 square foot facility is a Forbes Four-Star Spa that offers a wide variety of treatments and services. This package includes access to all areas at The Spa, which features a heated, three lane saline lap pool, eucalyptus steam rooms, a spacious fitness center, and much more. Transportation will be provided to and from the Village at Pinehurst.

Please review the information about the scheduled events. We hope you will join us in Southern Pines in September.

Sincerely,
Adam Sholar
President & CEO
NCHCFA

About the PAC

The NCHCFA/PAC supports candidates for state legislative and executive offices with the ever-increasing costs of campaign finance. These officials make vital decisions affecting the delivery of post-acute and long term care each year, such as changes to Medicaid funding and Certificate of Need laws. We want to be able to assist these candidates who listen to our concerns and support the work we do. A well-funded PAC is essential to our advocacy efforts.
