What is Grassroots?
Grassroots is a newsletter that updates NCHCFA members on activities related to the NCHCFA Political Action Committee (PAC) and our recent advocacy efforts.

2021 Fundraising Recap
In February, the 2021 NCHCFA/PAC fundraising campaign launched during the NCHCFA Virtual Annual Convention & Expo. At the close of a challenging year, 2021 fundraising efforts exceeded our goal and totaled $174,599 contributed by 118 individual donors.

About the NCHCFA/PAC
The NCHCFA/PAC financially supports candidates for state legislative and executive offices. These officials make vital decisions affecting the delivery of post-acute and long term care each year, such as changes to Medicaid funding and Certificate of Need laws.

Your Support is Needed
We must take an active role in the political process and contribute to the candidates who appreciate and support the work our members do.

Committee Challenge Results

Congratulations to the NCHCFA Board of Directors for winning the Back the PAC Committee Challenge with 100% of board members contributing to the PAC in 2021! The Education & Programs committee were our runners up with over 62% contributing.
