## About the NCHCFA/PAC

The NCHCFA/PAC financially supports candidates for state legislative and executive offices. These officials make vital decisions affecting the delivery of post-acute and long term care each year, such as changes to Medicaid funding and Certificate of Need laws.

NC Election Law limits individuals to no more than \$6,400 per election. Only personal funds are accepted and contributions are not tax deductible. No corporate contributions to the PAC will be accepted as it is unlawful.

NCHCFA/PAC donates to Democrat and Republican political races across the state. All distributions are approved by the NCHCFA/PAC Committee, comprised of five members selected by the NCHCFA Board of Directors Chair.

We support candidates based on their proven record of supporting issues that promote our priorities; their position in the General Assembly or influence with the elected leadership of the House or Senate; and their willingness to fight on our behalf, among other things.
