Compassionate and skilled Registered Nurse with extensive experience at UNC Health Southeastern, adept in critical decision-making and patient assessments. Proven track record in enhancing patient outcomes through effective medication administration and collaborative care. A reliable team player committed to delivering high-quality, holistic nursing care in fast-paced environments.

Healthcare professional with strong background in patient care and medical support. Known for collaborative work with medical teams to deliver high-quality care and adapt to evolving patient needs. Expertise in patient assessment and medication administration, along with compassionate care and reliability.

WORK HISTORY

July 2024 - Current

Registered Nurse *UNC Health Southeastern*, Lumberton, NC

- Utilized critical thinking skills to prioritize nursing interventions based on patients' acuity levels and individual needs.
- Conducted thorough patient assessments to identify changes in condition, promptly notifying physicians and initiating appropriate interventions when necessary.
- Administered medications safely according to established guidelines while closely monitoring for side effects or adverse reactions requiring intervention.
- Enhanced patient satisfaction by providing compassionate, holistic nursing care that addressed physical, emotional, and spiritual needs.
- Collaborated with interdisciplinary teams to develop comprehensive treatment plans for complex patients with multiple comorbidities.

June 2020 - Current

Paramedic *Bladen County EMS*, Elizabethtown, NC

- Documented patient care accurately using electronic medical records software according to regulatory guidelines for billing purposes and continuous quality improvement initiatives.
- Developed and maintained rapport with coworkers and local hospital staff to facilitate efficient patient care.
- Enhanced team efficiency through clear communication and collaboration during high-pressure emergency situations.
- Transferred patients safely and securely to medical facilities for continued care.
- Identified appropriate medications based on potential interactions with other medicines, accurately calculating correct dosages according to drugs on hand and patient's weight.
- Responded to daily emergencies and worked alongside firemen and EMTs.
- Triaged injuries by communicating with patients, bystanders and family members and identified appropriate medical facility for transport.

January 2019 - Current

Paramedic Bladenboro Rescue INC, Bladenboro, NC

- Adapted treatment plans quickly and effectively based on changing patient conditions and reactions.
- Streamlined patient handoff processes at hospitals by clearly communicating relevant information to receiving staff, ensuring seamless continuity of care.
- Assisted in training new paramedics by serving as a preceptor and sharing clinical expertise during ridealongs.
- Participated in ongoing professional development opportunities such as conferences or workshops to stay current on best practices in pre-hospital emergency medicine.
- Coordinated with other emergency services personnel such as police officers and firefighters during complex incidents for optimal scene management and resource allocation.
- Delegated life-saving tasks to provide comprehensive treatment to triaged patients in emergency situations.

October 2021 - February 2024

Paramedic Robeson County EMS, Lumberton, NC

- Delivered advanced cardiac life support (ACLS), basic life support (BLS), and pediatric advanced life support (PALS) under pressure.
- Delivered compassionate care to patients with a variety of medical emergencies, including cardiac arrests, traumas, strokes, and respiratory distress.
- Improved patient outcomes by providing timely and accurate assessments, treatments, and interventions.
- Worked en-route to hospital to prepare patients for arrival or surgery and control wounds.
- Assessed patient condition through physical and verbal exams and by collecting information from others at scene.
- Ensured patient safety by adhering to strict protocols for proper lifting techniques, equipment use, and infection control.

September 2017 - June 2020

Certified Nursing Assistant Lumberton Health and Rehabilitation, Lumberton, NC

- Provided high-quality personal care services such as bathing, grooming, dressing, and feeding to ensure patient dignity.
- Assisted patients with daily living activities for enhanced comfort and wellbeing.
- Checked patient vitals such as temperature, blood pressure, and blood sugar levels.
- Maintained a clean, safe environment by sanitizing surfaces, changing linens, and disposing of waste properly.
- Answered call lights and supported patient comfort and safety by adjusting bed rails and equipment.
- Improved patient care quality by monitoring and recording vital signs, fluid intake, and output.
- Reduced fall incidents by implementing safety measures like bed alarms and proper positioning techniques.
- Prevented pressure ulcers development through frequent turning, repositioning of patients, and diligent skin assessments.
