

MEMBERSHIP GUIDE

LEADERSHIP. PURPOSE. VISION.

Supporting our members in NC since 1955

The North Carolina Health Care Facilities Association (NCHCFA) is North Carolina's leading nonprofit trade association representing post-acute and long-term care facilities. NCHCFA is dedicated to supporting its members as they provide quality care to North Carolina's elderly and disabled residents.

NCHCFA Member Benefits

We represent 90% of nursing homes in NC

ADVOCACY

We advocate by educating lawmakers and the public on issues impacting LTC. We engage with legislators in Raleigh and maintain strong ties with NCDHHS. We also represent our members in D.C., at CMS, and on statewide boards, committees, and task forces.

COMMITTEE OPPORTUNITIES

Help guide and shape the SNF profession by serving on one of our committees: Associate Advisory, Council on Provider Relations, Education and Programs, Life Safety, Payment for Services, Standards and Ethics, or Workforce Development.

NEWS AND INFORMATION

Stay up-to-date with our e-newsletter (UPDATE Weekly), email alerts, LinkedIn, and member-only events. Our website offers member-only access to reimbursement resources, regulatory and legislative resources, and much more.

MEMBERSHIP DIRECTORY

Our online directory includes NCHCFA Provider members, Trade Associate members (companies providing products and services to LTC), and AHCA members. Contact information for NC state agency and NCHCFA staff is also included.

EDUCATION & NETWORKING

NCHCFA members receive discounted pricing on NCHCFA educational events featuring topics impacting SNFs. We provide continuing education (CEUs) webinars and in-person events such as our Annual Convention & Expo and Fall Symposium.

IDR PANEL PARTICIPATION

A facility may challenge cited deficiencies through a process called Informal Dispute Resolution. Members of the NCHCFA Standards and Ethics Committee may request appointment consideration for the NCDHSR's IDR panel.

ANNUAL AWARDS PROGRAM

This honors frontline SNF personnel from the five districts in NC who have demonstrated outstanding achievements. Additionally, one recipient in a non-nursing discipline receives the Riley W. Clapp Outstanding Service award.

SAVE WITH OUR GPO

Incite Strategic Partners is a Group Purchasing Organization dedicated to serving SNFs. This member benefit offers competitive pricing, customer service, and drives greater resident satisfaction with high quality product offerings.

LEADERSHIP DEVELOPMENT

Our Institute for LTC Leaders program offers an intensive, interactive experience that is open to emerging leaders within the profession. Applications open in December and the new class convenes in March.

AHCA/NCAL BENEFITS

Membership with our national affiliate, American Health Care Association, is included with NCHCFA membership. Benefits include professional development, publications and resources, CNA training, and much more.
