

**North Carolina Activity
Professionals Association**

NCAPA June 2026 Workshop

**“Building Success: One
Brick at a Time”**

with Loretta Veney, Certified Lego Facilitator

Session Topics:

“Lifting the Spirit of Caregiving”

Provides caregivers with practical tips, tools and activities for lifting their spirits and uncovering their joy through the toughest challenges of caregiving.

“Building Brick Memories”

This session guides participants through building past events such as favorite holidays and vacations and uncovering memories long forgotten.

“Engaging Activities for Everyone”

This session demonstrates a wide variety of activities that are easy to purchase or make that won't break the budget.

“Springing Back with Resilience”

This session uses the tool of "reframing" to help caregivers develop effective strategies for handling difficult situations.
